Project Cle11n is a result of the partnership between the e11bid company and Bywaters. We aim to offer shareholders in the e11bid area and the business in the primary economic hubs of Waltham Forest reduced recycling waste collection costs with the added ease of enhanced collections timing and locations.

Our services are extensive and apart from the regular waste collections we also include shop & office rubbish clearances and skip hire.

Pre Paid Bags:

£1.00 per Bag for Trade Waste Recyclables

£1.32 per Bag for Residual Non-Recyclable Waste

Offering bags in minimum batches of 30. Prices are plus VAT and the minimum quantity gets you a 3 month duty of care.

There is no contract, there are no strings and bags are collected on Mondays, Wednesdays and Fridays between 6am-9pm as per the Councils regulations.

If you are an e11bid business you get the added benefits of 24 drop off locations and local bag purchasing outlets.
